Google Ads Account Access Guide

HOW TO GRANT AURORA WEB DESIGNS ACCESS

Please follow the steps below to grant Aurora Web Designs access to your Google Ads account so we can manage and optimize your advertising campaigns.

1 Sign in to Google Ads
Sign in at ads.google.com with your Google Ads account.

2 Open the Admin menu
In the left-hand navigation menu, click Admin.

3 Go to Access and security
Under the Admin section, click Access and security.

4 Start a new invitation
Click the blue + button, or select Invite user.

5 Enter our email address
Enter the following email address exactly: bryanfav123@gmail.com

6 Select Administrator access
Grants full management of campaigns, billing, and conversions.

7 Send the invitation
Click Send Invitation to complete the process.

8 We'll accept the invite
We'll receive the invitation by email and accept it promptly.

9 You're connected
Your account is now linked and ready for us to manage.
